About YMCA South Australia

“We work together from a base of Christian values to provide opportunities for all people to grow in body mind and spirit” (our mission).

YMCA South Australia is a not-for-profit community organisation that has served the South Australian community for 175 years. With approximately 1,200 employees (and growing), we deliver programs and services across the state in settings including community recreation centres, swimming pools, health and fitness facilities, community centres, camps, early education and schools and youth services.

Our aim is to develop the whole person, helping all South Australians connect with a better life. Not only their physical fitness and capabilities, but also their sense of identity, purpose, hope and dignity; psychological health; resilience; social connectedness; lifelong learning; and their own contribution back into the community. All the elements that together constitute a full, healthy, productive, and satisfying life.

Our vision is to see **“lives enriched through wellbeing”** in this wider, and more integrated, sense across all of the South Australian communities in which we work.

The Y Factor

YMCA South Australia’s culture is characterised by what we call “the Y Factor” – **“genuine care for the whole person, for every person.”** This ethos runs deep at the Y, being evident in our rich history of positive change around the world. This kind of authentic concern for others opens the opportunity for deeper and more profound impact – both on the community’s wellbeing and our own as staff and volunteers. The YMCA is an environment in which everyone is to be recognised and appreciated as the unique and inherently valuable person they are. A place in which every person can “grow in body, mind and spirit”.
